Re: Rockland Cnty United Water

Compliance

↳ July 2013 monthly turb via
PN mid-aug

Regional office + Cnty
UW gets lots of attn from citizens

Copper sulfate issue

Harmful algal blooms ↗
COC grant in Bureau to address

Same water system - accusations that
Wilson's disease caused
by copper sulfate

Bill Gilday Cnty - United Water main provider

private wells - Cnty requires testing
when sale

Working w/ Cnty on operational systems
DAF ~2003
added air scour

NYS DOT work to caution use of copper sulfate
if algae is harmful algal bloom
↳ release toxins

Working up Do's + Don'ts for copper sulfate

Lloyd - source of turbidity violation

unknown - not sure

could have been precipitation

algae

air entrapment

Any outcome - update of SOPs
